---

## PROFESSIONAL SUMMARY

---

Reliable and detail-oriented Virtual Assistant and Social Media Manager with hands-on experience supporting real estate and creative businesses across Dubai and international markets. Skilled in lead management, CRM organization, client communication, Meta advertising, content support, and workflow automation. Known for proactive follow-ups, strong written communication, and the ability to manage multiple systems and clients with minimal supervision. Comfortable working remotely with international teams in fast-paced environments.

## CORE SKILLS

---

### Virtual Assistance & Real Estate Operations

- Lead management, qualification & follow-ups (Meta lead forms, CRM pipelines)
- Email and inbox management
- CRM data entry & organization (Airtable, Google Sheets)
- Appointment scheduling & multi-timezone calendar management
- Client & agent communication (Dubai real estate transactions, A2A/A1 forms)
- Property listing management (Bayut, Property Finder, Profolio)
- File organization (Google Drive, Dropbox)
- Process documentation & SOPs

### Social Media & Digital Marketing

- Meta Ads Manager: lead generation campaigns, Special Ad Category (Housing) compliance
- Social media content scheduling & Instagram/Facebook management
- Caption writing, translation, and engagement support (English/Turkish)
- Canva design & marketing asset preparation (brochures, carousels, posters)
- Community management & DMs
- Content planning & posting consistency

### Tools & Platforms

- Meta Business Suite & Ads Manager
- Airtable (CRM & lead tracking)
- TextMagic (SMS follow-ups)
- Canva, Python/Pillow (design & image automation)
- Google Workspace, Dropbox & Google Drive
- Squarespace
- Instagram, Facebook, WhatsApp Business
- Email marketing platforms (campaign support)

## PROFESSIONAL EXPERIENCE

---

### Virtual Assistant / Social Media Manager — CLK Properties, Dubai

Remote | Real Estate | 2025 – Present

- Manage Meta lead generation campaigns for luxury Dubai developments (e.g. The Oasis by Emaar), targeting international markets including the USA, Turkey, Germany, and the UAE.
- Set up and localize Meta Lead Forms in multiple languages, including custom qualifying questions to improve lead quality.
- Design bilingual (English/Turkish) marketing carousels, brochures, and social media assets in Canva.
- Coordinate with agents and consultants on listing accuracy, pricing, and payment plan details.
- Support administrative tasks including A2A form completion and client documentation.

### Virtual Assistant / Social Media Manager — Sun Shine Real Estate Brokers, Dubai

Remote | Real Estate | 2025 – Present

- Act as an invited collaborator on the agent's Meta Business Suite account, managing page content and marketing.
- Prepare property brochures, one-pagers, and investment marketing materials for luxury Dubai listings.
- Complete Form A listing agreements and Agent-to-Agent (A2A) forms in line with RERA requirements.
- Manage and cross-check listings across Bayut and Property Finder via Profolio/Expert backends.
- Coordinate RERA permit renewals and support WhatsApp-based lead distribution to broker networks.

### **Virtual Assistant / Social Media Manager — Hayek Studios**

Remote | Photography Studio | 2025 – Present

- Manage daily lead follow-ups and client communication across email and SMS.
- Track and update leads in Airtable CRM, ensuring no inquiries are missed.
- Schedule consultations and coordinate calendars for client bookings.
- Support social media operations including post scheduling, caption assistance, and engagement monitoring.
- Organize client files, galleries, and documents using Dropbox and Google Drive.
- Assist with workflow improvements to streamline client onboarding and follow-up processes.
- Maintain consistent communication with potential clients to increase booking conversion.

### **Virtual Assistant — Red Espionage Estate**

Real Estate | 2023 – 2024

- Managed property inquiries and client communication.
- Organized leads and property data for easy tracking and follow-up.
- Supported administrative tasks including data entry, document handling, and client updates.
- Assisted with marketing support tasks related to property listings.
- Ensured timely responses to prospects and maintained professional client relationships.
